scheduled to become effective for property taxes first due and payable in 2003.

(c) As used in this section, "department" refers to the department of local government finance.

(d) As used in this section, "reassessment official" means any of the following:

- (1) A county assessor.
- (2) A township assessor.
- (3) A township trustee-assessor.

(e) If:

- (1) the department determines that a county's reassessment officials are unable to complete the reassessment in a timely manner; or
- (2) the department determines that a county's reassessment officials are likely to complete the reassessment in an inaccurate manner;

the department may order a state conducted reassessment in the county. The department may consider a reassessment in a county untimely if the county does not submit the county's equalization study to the department in the manner prescribed under 50 IAC 14 before October 20, 2003. The department may consider the reassessment work of a county's reassessment officials inaccurate if the department determines from a sample of the assessments completed in the county that there is a variance exceeding ten percent (10%) between the total assessed valuation of the real property within the sample and the total assessed valuation that would result if the real property within the sample were valued in the manner provided by law.

(f) If the department orders a state conducted reassessment in a county, the department shall assume the duties of the county's reassessment officials. Notwithstanding sections 15 and 17 of this chapter, a reassessment official in a county subject to an order issued under this section may not assess property or have property assessed for the general reassessment. Until the state conducted reassessment is completed under this section, the reassessment duties of a reassessment official in the county are limited to providing the department or a contractor of the department the support and information requested by the department or the contractor.

(g) Before assuming the duties of a county's reassessment officials, the department shall transmit a copy of the department's order requiring a state conducted reassessment to the county's

reassessment officials, the county fiscal body, the county auditor, and the county treasurer. Notice of the department's actions must be published one (1) time in a newspaper of general circulation in the county. The department is not required to conduct a public hearing before taking action under this section.

(h) Township and county officials in a county subject to an order issued under this section shall, at the request of the department or the department's contractor, make available and provide access to all:

- (1) data;
- (2) records;
- (3) maps;
- (4) parcel record cards;
- (5) forms;
- (6) computer software systems;
- (7) computer hardware systems; and
- (8) other information;

related to the reassessment of real property in the county. The information described in this subsection must be provided at no cost to the department or the contractor of the department. A failure to provide information requested under this subsection constitutes a failure to perform a duty related to a general reassessment and is subject to IC 6-1.1-37-2.

(i) The department may enter into a contract with a professional appraising firm to conduct a reassessment under this section. If a county or a township located in the county entered into a contract with a professional appraising firm to conduct the county's reassessment before the department orders a state conducted reassessment in the county under this section, the contract:

- (1) is as valid as if it had been entered into by the department; and
- (2) shall be treated as the contract of the department.

(j) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (i), the department of local government finance shall give notice to the taxpayer and the county assessor, by mail, of the amount of the reassessment. The notice of reassessment:

- (1) is subject to appeal by the taxpayer under section 37 of this chapter; and
- (2) must include a statement of the taxpayer's rights under section 37 of this chapter.

(k) The department shall forward a bill for services provided

**O**  
**P**

under a contract described in subsection (i) to the auditor of the county in which the state conducted reassessment occurs. The county shall pay the bill under the procedures prescribed by subsection (l).

(l) A county subject to an order issued under this section shall pay the cost of a contract described in subsection (i), without appropriation, from the county's property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under the contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

- (1) submits to the department a fully itemized, certified bill in the form required by IC 5-11-10-1 for the costs of the work performed under the contract;
- (2) obtains from the department:
  - (A) approval of the form and amount of the bill; and
  - (B) a certification that the billed goods and services have been received and comply with the contract; and
- (3) files with the county auditor:
  - (A) a duplicate copy of the bill submitted to the department;
  - (B) proof of the department's approval of the form and amount of the bill; and
  - (C) the department's certification that the billed goods and services have been received and comply with the contract.

The department's approval and certification of a bill under subdivision (2) shall be treated as conclusively resolving the merits of a contractor's claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive. The county executive shall allow the claim, in full, as approved by the department, without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after the completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department. Compliance with this subsection constitutes compliance with section 28.5 of this chapter, IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this

subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection.

(m) Notwithstanding IC 4-13-2, a period of seven (7) days is permitted for each of the following to review and act under IC 4-13-2 on a contract of the department entered into under this section:

- (1) The commissioner of the Indiana department of administration.
- (2) The director of the budget agency.
- (3) The attorney general.

(n) If the money in a county's property reassessment fund is insufficient to pay for a reassessment conducted under this section, the department may increase the tax rate and tax levy of the county's property reassessment fund to pay the cost and expenses related to the reassessment.

(o) The department or the contractor of the department shall use the land values determined under section 13.6 of this chapter for a county subject to an order issued under this section to the extent that the department or the contractor finds that the land values reflect the true tax value of land, as determined under this article and the rules of the department. If the department or the contractor finds that the land values determined for the county under section 13.6 of this chapter do not reflect the true tax value of land, the department or the contractor shall determine land values for the county that reflect the true tax value of land, as determined under this article and the rules of the department. Land values determined under this subsection shall be used to the same extent as if the land values had been determined under section 13.6 of this chapter. The department or the contractor of the department shall notify the county's reassessment officials of the land values determined under this subsection.

(p) A contractor of the department may notify the department if:

- (1) a county auditor fails to:
  - (A) certify the contractor's bill;
  - (B) publish the contractor's claim;
  - (C) submit the contractor's claim to the county executive;
 or
  - (D) issue a warrant or check for payment of the contractor's bill;

as required by subsection (l) at the county auditor's first legal opportunity to do so;

(2) a county executive fails to allow the contractor's claim as legally required by subsection (l) at the county executive's first legal opportunity to do so; or

(3) a person or an entity authorized to act on behalf of the county takes or fails to take an action, including failure to request an appropriation, and that action or failure to act delays or halts progress under this section for payment of the contractor's bill.

(q) The department, upon receiving notice under subsection (p) from a contractor of the department, shall:

(1) verify the accuracy of the contractor's assertion in the notice that:

(A) a failure occurred as described in subsection (p)(1) or (p)(2); or

(B) a person or entity acted or failed to act as described in subsection (p)(3); and

(2) provide to the treasurer of state the department's approval under subsection (l)(2)(A) of the contractor's bill with respect to which the contractor gave notice under subsection (p).

(r) Upon receipt of the department's approval of a contractor's bill under subsection (q), the treasurer of state shall pay the contractor the amount of the bill approved by the department from money in the possession of the state that would otherwise be available for distribution to the county, including distributions from the property tax replacement fund or distribution of admissions taxes or wagering taxes.

(s) The treasurer of state shall withhold from the money that would be distributed under IC 4-33-12-6, IC 4-33-13-5, IC 6-1.1-21-4(b) or any other law to a county described in a notice provided under subsection (p) the amount of a payment made by the treasurer of state to the contractor of the department under subsection (r). Money shall be withheld first from the money payable to the county under IC 6-1.1-21-4(b) and then from all other sources payable to the county.

(t) Compliance with subsections (p) through (s) constitutes compliance with IC 5-11-10.

(u) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to the payment made in compliance with subsections (p) through (s). This subsection and subsections (p) through (s) must be interpreted liberally so that the state shall, to the extent legally

valid, ensure that the contractual obligations of a county subject to this section are paid. Nothing in this section shall be construed to create a debt of the state.

(v) The provisions of this section are severable as provided in IC 1-1-1-8(b).

(w) This section expires January 1, 2007.

an amount not to exceed the taxes resulting from the contested assessment or increase in assessment.

(c) Each county auditor shall keep separate on the tax duplicate a record of that portion of the assessed value of property

~~(1) on which a taxpayer is not required to pay taxes under subsection (a); or~~

~~(2) that is described in IC 6-1.1-17-0.5(b).~~

When establishing rates and calculating state school support, the department of local government finance shall ~~recognize the fact that a taxpayer is not required to pay taxes under certain circumstances; exclude from assessed value in the county the assessed value of property kept separate on the tax duplicate by the county auditor under IC 6-1.1-17-0.5(b).~~

SECTION 18. IC 6-1.1-15-11, AS AMENDED BY P.L.90-2002, SECTION 140, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 11. **(a)** If a review or appeal authorized under this chapter results in a reduction of the amount of an assessment or if the department of local government finance on its own motion reduces an assessment, the taxpayer is entitled to a credit in the amount of any overpayment of tax on the next successive tax installment, if any, due in that year. ~~If~~ After the credit is given, **the county auditor shall:**

**(1) determine if a further amount is due the taxpayer; he may file a claim for and**

**(2) if a further amount is due the taxpayer, notwithstanding IC 5-11-10-1 and IC 36-2-6-2, amount due. If the claim is allowed by The board of county commissioners, the county auditor shall, without a claim or an appropriation being required, pay the amount due the taxpayer.**

The county auditor shall charge the amount refunded to the taxpayer against the accounts of the various taxing units to which the overpayment has been paid. **The county auditor shall notify the county executive of the payment of the amount due and publish the allowance in the manner provided in IC 36-2-6-3.**

**(b) The notice under subsection (a)(2) is treated as a claim by the taxpayer for the amount due referred to in that subsection.**

SECTION 19. IC 6-1.1-17-20 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 20. (a) This section applies:

(1) to each governing body of a taxing unit that is not comprised of a majority of officials who are elected to serve on the governing body; and

C  
o  
p

(2) if the proposed property tax levy for the taxing unit for the ensuing calendar year is more than five percent (5%) greater than the property tax levy for the taxing unit for the current calendar year.

(b) As used in this section, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, except that the term does not include a school corporation. ~~or a public library district.~~

(c) If:

(1) the assessed valuation of a taxing unit is entirely contained within a city or town; or

(2) the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body. The proposed budget and levy shall be submitted at least fourteen (14) days before the city or town fiscal body is required to hold budget approval hearings under this chapter.

(d) If subsection (c) does not apply, the governing body of the taxing unit shall submit its proposed budget and property tax levy to the county fiscal body in the county where the taxing unit has the most assessed valuation. The proposed budget and levy shall be submitted at least fourteen (14) days before the county fiscal body is required to hold budget approval hearings under this chapter.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the taxing unit. The fiscal body may reduce or modify but not increase the proposed budget or tax levy. ~~However, the fiscal body may not reduce the proposed tax levy to an amount that is less than the maximum permissible levy under IC 6-1.1-18.5-3.~~

SECTION 20. IC 6-1.1-18-12 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 12. (a) For purposes of this section, "maximum rate" refers to the maximum:**

**(1) property tax rate or rates; or**

**(2) special benefits tax rate or rates;**

**referred to in the statutes listed in subsection (d).**

**(b) The maximum rate for taxes first due and payable after 2003 is the maximum rate that would have been determined under subsection (e) for taxes first due and payable in 2003 if subsection (e) had applied for taxes first due and payable in 2003.**

**(c) The maximum rate must be adjusted:**

    - (i) property taxes; or
    - (ii) special benefits taxes;
 imposed by a political subdivision; and
  - (B) does not exempt the maximum rate from the adjustment under this section.
- (e) The new maximum rate under a statute listed in subsection (d) is the tax rate determined under STEP SEVEN of the following STEPS:
  - STEP ONE: Determine the maximum rate for the political subdivision levying a property tax or special benefits tax under the statute for the year preceding the year in which the annual adjustment or general reassessment takes effect.
  - STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the year preceding the year the annual adjustment or general reassessment takes effect to the year that the annual adjustment or general reassessment takes effect.
  - STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first take effect.
  - STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent

(0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

**STEP FIVE:** Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

**STEP SIX:** Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

**STEP SEVEN:** Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

(f) The department of local government finance shall compute the maximum rate allowed under subsection (e) and provide the rate to each political subdivision with authority to levy a tax under a statute listed in subsection (d).

SECTION 21. IC 6-1.1-18.5-1, AS AMENDED BY P.L.198-2001, SECTION 51, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. As used in this chapter:

"Ad valorem property tax levy for an ensuing calendar year" means the total property taxes imposed by a civil taxing unit for current property taxes collectible in that ensuing calendar year.

"Adopting county" means any county in which the county adjusted gross income tax is in effect.

"Civil taxing unit" means any taxing unit except a school corporation.

"Maximum permissible ad valorem property tax levy for the preceding calendar year" means the greater of:

(1) the civil taxing unit's maximum permissible ad valorem property tax levy for the calendar year immediately preceding the ensuing calendar year; as that levy was determined under section 3 of this chapter; or

(2) the civil taxing unit's ad valorem property tax levy for the calendar year immediately preceding the ensuing calendar year, as that levy was determined by the department of local government finance in fixing the civil taxing unit's budget, levy, and rate for that preceding calendar year under IC 6-1.1-17, and after eliminating the effects of temporary excessive levy appeals and temporary adjustments made to the working maximum levy for the calendar year immediately preceding the ensuing calendar year, as determined by the department of local government finance.

C  
o  
p

"Taxable property" means all tangible property that is subject to the tax imposed by this article and is not exempt from the tax under IC 6-1.1-10 or any other law. For purposes of sections 2 and 3 of this chapter, the term "taxable property" is further defined in section 6 of this chapter.

"Unadjusted assessed value" means the assessed value of a civil taxing unit as determined by local assessing officials and the department of local government finance in a particular calendar year before the application of an annual adjustment under IC 6-1.1-4-4.5 for that particular calendar year or any calendar year since the last general reassessment preceding the particular calendar year.

SECTION 22. IC 6-1.1-18.5-13, AS AMENDED BY P.L.245-2003, SECTION 16, AND AS AMENDED BY P.L.224-2003, SECTION 246, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

~~(1) Permission to the civil taxing unit to reallocate the amount set aside as a property tax replacement credit as required by IC 6-3.5-1.1 for a purpose other than property tax relief. However, whenever this occurs, the local government tax control board shall also state the amount to be reallocated.~~

~~(2)~~ (1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

~~(3)~~ (2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's share of the costs of operating a court for the first full calendar year in which it is in

existence.

(4) (3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the *sum of the* civil taxing unit's total assessed value of all taxable property *and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42* in the particular calendar year, divided by the *sum of the* civil taxing unit's total assessed value of all taxable property *and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42* in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the *sum of the* total assessed value of all taxable property in ~~the state~~ *all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42* in the particular calendar year, divided by the *sum of the* total assessed value of all taxable property in ~~the state~~ *all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42* in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

*In addition, before the local government tax control board may recommend the relief allowed under this subdivision, the civil taxing unit must show a need for the increased levy because of*

C  
o  
p  
y

*special circumstances, and the local government tax control board must consider other sources of revenue and other means of relief. The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.*

~~(5)~~ (4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

~~(6)~~ (5) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension

C  
o  
p

payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

~~(7)~~ **(6)** Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's poor relief ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing poor relief under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's poor relief ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

~~(8)~~ **(7)** Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

~~(9)~~ **(8)** Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

**C  
o  
p  
y**

(A) the civil taxing unit is:

- (i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);
  - (ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);
  - (iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);
  - (iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or
  - (v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300);
- and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

~~(10)~~ (9) Permission for a county:

- (A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that

C  
o  
p  
y

*is subject to an order that:*

- (i) was issued by a federal district court; and*
- (ii) has not been terminated;*

*(C) that operates a county jail that fails to meet:*

- (i) American Correctional Association Jail Construction Standards; and*
- (ii) Indiana jail operation standards adopted by the department of correction; or*

*(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.*

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

~~(11)~~ **(10)** Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

~~(12)~~ **(11)** Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has

C  
o  
p  
y

been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

~~(13)~~ **(12)** Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under ~~subdivision (1)~~ **this section to reallocate property tax replacement credits under IC 6-3.5-1.1** in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned **under this section** to have reallocated in 2001 ~~under subdivision (1)~~ for a purpose other than property tax relief.

SECTION 23. IC 6-1.1-18.5-16, AS AMENDED BY P.L.90-2002, SECTION 171, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) A civil taxing unit may request permission from the local government tax control board to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if:

- (1) the civil taxing unit experienced a property tax revenue shortfall that resulted from erroneous assessed valuation figures being provided to the civil taxing unit;
- (2) the erroneous assessed valuation figures were used by the civil taxing unit in determining its total property tax rate; and
- (3) the error in the assessed valuation figures was found after the civil taxing unit's property tax levy resulting from that total rate was finally approved by the department of local government finance.

**(b) A civil taxing unit may request permission from the local**

**government tax control board to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if the civil taxing unit experienced a property tax revenue shortfall because of the payment of refunds that resulted from appeals under this article and IC 6-1.5.**

(c) If the local government tax control board determines that ~~such~~ a shortfall **described in subsection (a) or (b)** has occurred, it shall recommend to the department of local government finance that the civil taxing unit be allowed to impose a property tax levy exceeding the limit imposed by section 3 of this chapter, and the department ~~shall~~ **may** adopt such recommendation. However, the maximum amount by which the civil taxing unit's levy may be increased over the limits imposed by section 3 of this chapter equals the remainder of the civil taxing unit's property tax levy for the particular calendar year as finally approved by the department of local government finance minus the actual property tax levy collected by the civil taxing unit for that particular calendar year.

~~(c)~~ (d) Any property taxes collected by a civil taxing unit over the limits imposed by section 3 of this chapter under the authority of this section may not be treated as a part of the civil taxing unit's maximum permissible ad valorem property tax levy for purposes of determining its maximum permissible ad valorem property tax levy for future years.

~~(d)~~ (e) If the department of local government finance authorizes an excess tax levy under this section, it shall take appropriate steps to insure that the proceeds are first used to repay any loan made to the civil taxing unit for the purpose of meeting its current expenses.

SECTION 24. IC 6-1.1-18.5-17, AS AMENDED BY P.L.90-2002, SECTION 172, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 17. (a) As used in this section, "levy excess" means the part of the ad valorem property tax levy actually collected by a civil taxing unit, for taxes first due and payable during a particular calendar year, that exceeds the civil taxing unit's ad valorem property tax levy, as approved by the department of local government finance under IC 6-1.1-17.

(b) A civil taxing unit's levy excess is valid and may not be contested on the grounds that it exceeds the civil taxing unit's levy limit for the applicable calendar year. However, the civil taxing unit shall deposit, except as provided in subsection (h), ~~the part of its levy that exceeds one hundred two percent (102%) of the civil taxing unit's ad valorem property tax levy for the applicable calendar year, as approved by the department of local government finance under IC 6-1.1-17,~~ excess in a special fund to be known as the civil taxing unit's levy

excess fund.

(c) The chief fiscal officer of a civil taxing unit may invest money in the civil taxing unit's levy excess fund in the same manner in which money in the civil taxing unit's general fund may be invested. However, any income derived from investment of the money shall be deposited in and becomes a part of the levy excess fund.

(d) The department of local government finance ~~may~~ **shall** require a civil taxing unit to include the amount in its levy excess fund in the civil taxing unit's budget fixed under IC 6-1.1-17.

(e) Except as provided by subsection (f), a civil taxing unit may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the department of local government finance under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the **ad valorem** property tax levy limits imposed under this chapter, a civil taxing unit shall treat the money in its levy excess fund that the department of local government finance permits it to spend during a particular calendar year as part of its ad valorem property tax levy for that same calendar year.

SECTION 27. IC 6-1.1-19-1.5, AS AMENDED BY P.L.276-2003, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1.5. (a) The following definitions apply throughout this section and IC 21-3-1.7:

(1) "Adjustment factor" means the adjustment factor determined by the department of local government finance for a school corporation under IC 6-1.1-34.

(2) "Adjusted target property tax rate" means:

(A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by

(B) the school corporation's adjustment factor.

(3) "Previous year property tax rate" means the school corporation's previous year general fund property tax rate after the reductions cited in IC 21-3-1.7-5(1), IC 21-3-1.7-5(2), and IC 21-3-1.7-5(3).

(b) Except as otherwise provided in this chapter, a school corporation may not, for a calendar year beginning after December 31, 2004, impose a general fund ad valorem property tax levy which exceeds the following:

STEP ONE: Determine the result of:

(A) the school corporation's adjusted target property tax rate; minus

(B) the school corporation's previous year property tax rate.

STEP TWO: If the school corporation's adjusted target property tax rate:

(A) exceeds the school corporation's previous year property tax rate, perform the calculation under STEP THREE and not under STEP FOUR;

(B) is less than the school corporation's previous year property

tax rate, perform the calculation under STEP FOUR and not under STEP THREE; or

(C) equals the school corporation's previous year property tax rate, determine the levy resulting from using the school corporation's adjusted target property tax rate and do not perform the calculation under STEP THREE or STEP FOUR.

STEP THREE: Determine the levy resulting from using the school corporation's previous year property tax rate after increasing the rate by the lesser of:

(A) the STEP ONE result; or

(B) five cents (\$0.05).

STEP FOUR: Determine the levy resulting from using the school corporation's previous year property tax rate after reducing the rate by the lesser of:

(A) the absolute value of the STEP ONE result; or

(B) five cents (\$0.05).

STEP FIVE: Determine the result of:

(A) the STEP TWO (C), STEP THREE, or STEP FOUR result, whichever applies; plus

(B) an amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

The maximum levy is to include the portion of any excessive levy and the levy for new facilities.

STEP SIX: Determine the result of:

(A) the STEP FIVE result; plus

(B) the product of:

(i) the weighted average of the amounts determined under IC 21-3-1.7-6.7(e) STEP NINE for all charter schools attended by students who have legal settlement in the school corporation; multiplied by

(ii) thirty-five hundredths (0.35).

In determining the number of students for purposes of this STEP, each kindergarten pupil shall be counted as one-half (1/2) pupil.

The result determined under this STEP may not be included in the school corporation's adjusted base levy for the year following the year in which the result applies or in the school corporation's determination of tuition support.

(c) For purposes of this section, "total assessed value" ~~as adjusted under subsection (d)~~, with respect to a school corporation means the

~~(e)~~ (d) The department of local government finance shall annually establish an assessment ratio and adjustment factor for each school corporation to be used upon the review and recommendation of the budget committee. The information compiled, including background documentation, may not be used in a:

- (1) review of an assessment under IC 6-1.1-8, IC 6-1.1-13, IC 6-1.1-14, or IC 6-1.1-15;
- (2) petition for a correction of error under IC 6-1.1-15-12; or

~~(g)~~ (f) For the calendar year beginning January 1, 2004, and ending December 31, 2004, a school corporation may impose a general fund ad valorem property tax levy in the amount determined under STEP SEVEN EIGHT of the following formula:

STEP TWO: Determine the greater of zero (0) or the difference between:

- (A) the STEP ONE amount; minus
- (B) one (1).

STEP THREE: Determine the lesser of eleven-hundredths (0.11) or the product of:

- (A) the STEP TWO amount; multiplied by
- (B) eleven-hundredths (0.11).

STEP FOUR: Determine the sum of:

- (A) the STEP THREE amount; plus
- (B) one (1).

STEP FIVE: Determine the product of:

- (A) the STEP FOUR amount; multiplied by
- (B) the school corporation's general fund ad valorem property tax levy for calendar year 2003.

STEP SIX: Determine the lesser of:

C  
o

- (A) the STEP FIVE amount; or
- (B) the levy resulting from using the school corporation's previous year property tax rate after increasing the rate by five cents (\$0.05).

STEP SEVEN: Determine the result of:

- (A) the STEP SIX amount; plus
- (B) an amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

The maximum levy is to include the part of any excessive levy and the levy for new facilities.

STEP EIGHT: Determine the result of:

- (A) the STEP SEVEN result; plus
- (B) the product of:
  - (i) the weighted average of the amounts determined under IC 21-3-1.7-6.7(e) STEP NINE for all charter schools attended by students who have legal settlement in the school corporation; multiplied by
  - (ii) thirty-five hundredths (0.35).

In determining the number of students for purposes of this STEP, each kindergarten pupil shall be counted as one-half (1/2) pupil.

The result determined under this STEP may not be included in the school corporation's adjusted base levy for the year following the year in which the result applies or in the school corporation's determination of tuition support.

SECTION 28. IC 6-1.1-19-1.7, AS AMENDED BY P.L.90-2002, SECTION 174, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 1.7. (a) As used in this section, "levy excess" means that portion of the ad valorem property tax levy actually collected by a school corporation, for taxes first due and payable during a particular calendar year, which exceeds the school corporation's total levy, as approved by the department of local government finance under IC 6-1.1-17, for those property taxes.

(b) A school corporation's levy excess is valid, and the general fund portion of a school corporation's levy excess may not be contested on the grounds that it exceeds the school corporation's general fund levy limit for the applicable calendar year. However, the school corporation shall deposit, except as provided in subsection (h), ~~that portion of a school corporation's~~ **its** levy excess ~~which exceeds one hundred two percent (102%) of the school corporation's total levy, as approved by~~

the department of local government finance under IC 6-1.1-17, for the applicable calendar year; in a special fund to be known as the school corporation's levy excess fund.

(c) The chief fiscal officer of a school corporation may invest money in the school corporation's levy excess fund in the same manner in which money in the school corporation's general fund may be invested. However, any income derived from investment of the money shall be deposited in and become a part of the levy excess fund.

(d) The department of local government finance ~~may~~ **shall** require a school corporation to include the amount in the school corporation's levy excess fund in the school corporation's budget fixed under IC 6-1.1-17.

(e) Except as provided in subsection (f), a school corporation may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the department of local government finance under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the **ad valorem** property tax levy limits fixed under this chapter, a school corporation shall treat the money in its levy excess fund that the department of local government finance permits the school corporation to spend during a particular calendar year as part of the school corporation's ad valorem property tax levy for that same calendar year.

(f) A school corporation may transfer money from its levy excess fund to its other funds to reimburse those funds for amounts withheld from the school corporation as a result of refunds paid under IC 6-1.1-26.

(g) Subject to the limitations imposed by this section, a school corporation may use money in its levy excess fund for any lawful purpose for which money in any of its other funds may be used.

(h) If the amount that would be deposited in the levy excess fund of a school corporation for a particular calendar year is less than one hundred dollars (\$100), no money shall be deposited in the levy excess fund of the school corporation for that year.

- (i) erroneous assessed valuation figures were provided to the school corporation;
- (ii) erroneous figures were used to determine the school corporation's total property tax rate; and

**(B) whenever the assessed valuation figures that were provided to and used by the school corporation to determine the property tax rate did not accurately reflect because of the payment of refunds that resulted from appeals filed by property owners; under this article and IC 6-1.5;**

the tax control board shall recommend to the department of local government finance that the school corporation receive emergency financial relief. The relief shall be in the form specified in section 4.5(b)(1) through 4.5(b)(7) of this chapter, or in a combination of the forms of relief specified in section 4.5(b)(1) through 4.5(b)(7) of this chapter.

(b) The tax control board shall, if the tax control board determines that a shortfall exists as described in subsection (a), recommend that a school corporation that appeals for the purpose stated in subsection (a) be permitted to collect an excessive tax levy for a specified calendar year in the amount of the difference between:

- (1) the school corporation's property tax levy for a particular year as finally approved by the department of local government finance; and
- (2) the school corporation's actual property tax levy for the particular year.

(c) With respect to each appeal petition that:

the tax control board may recommend to the department of local government finance that the school corporation receive emergency financial relief in the form specified in section 4.5(b)(1) through 4.5(b)(7) of this chapter and be permitted to collect an excessive tax

levy for a specified calendar year in the amount of the difference between the school corporation's property tax levy for a particular year, as finally approved by the department, and the school corporation's actual property tax collections plus any balance in the school corporation's levy excess fund.

(d) Every recommendation made by the tax control board under this section shall specify the amount of the excessive tax levy. The department of local government finance ~~shall~~ **may** authorize the school board to make an excessive tax levy in accordance with the recommendation without any other proceeding. Whenever the department of local government finance authorizes an excessive tax levy under this subsection, the department shall take appropriate steps to ensure that the proceeds of the excessive tax levy are first used to repay any loan authorized under sections 4.3 through 5.3 of this chapter.

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property within the political subdivision. Each signature on a petition must be dated and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county auditor under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county auditor, deliver to the county auditor or the county auditor's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county auditor shall issue to an owner or owners of real property within the political subdivision the number of petition or remonstrance forms requested by the owner or owners. Each form must be accompanied by instructions detailing the requirements that:

(29) days after the notice is given under subdivision (1). The county auditor shall certify the date of issuance on each petition or remonstrance form that is distributed under this subdivision.

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county auditor within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

The county auditor may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property within the political subdivision.

(6) If a greater number of owners of real property within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. Withdrawal of a petition carries the same consequences as a defeat of the petition.

(7) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance required by IC 6-1.1-18.5-8 or IC 6-1.1-19-8.

(a) Each year the taxpayers of each county shall receive a credit for property tax replacement in the amount of each taxpayer's property tax replacement credit amount for taxes which:

(1) under IC 6-1.1-22-9 are due and payable in May and November of that year; **or**

**(2) under IC 6-1.1-22-9.5 are due in installments established by the department of local government finance for that year.**

The credit shall be applied to each installment of taxes. The dollar amount of the credit for each taxpayer shall be determined by the county auditor, based on data furnished by the department of local government finance.

(b) The tax liability of a taxpayer for the purpose of computing the credit for a particular year shall be based upon the taxpayer's tax liability as is evidenced by the tax duplicate for the taxes payable in that year, plus the amount by which the tax payable by the taxpayer had been reduced due to the application of county adjusted gross income tax revenues to the extent the county adjusted gross income tax revenues were included in the determination of the total county tax levy for that year, as provided in sections 2(g) and 3 of this chapter, adjusted, however, for any change in assessed valuation which may have been made pursuant to a post-abstract adjustment if the change is set forth on the tax statement or on a corrected tax statement stating the taxpayer's tax liability, as prepared by the county treasurer in accordance with IC 6-1.1-22-8(a). term under section 2(l)(1) of this chapter, the tax liability of a taxpayer does not include the amount of any property tax owed by the taxpayer that is attributable to that part of any property tax levy subtracted under section 2(g)(1)(B), 2(g)(1)(C), 2(g)(1)(D), 2(g)(1)(E), 2(g)(1)(F), 2(g)(1)(G), 2(g)(1)(H), 2(g)(1)(I), 2(g)(1)(J), or 2(g)(1)(K) of this chapter in computing the total county tax levy.

(c) The credit for taxes payable in a particular year with respect to mobile homes which are assessed under IC 6-1.1-7 is equivalent to the taxpayer's property tax replacement credit amount for the taxes payable with respect to the assessments plus the adjustments stated in this section.

(d) Each taxpayer in a taxing district that contains all or part of an economic development district that meets the requirements of section 5.5 of this chapter is entitled to an additional credit for property tax replacement. This credit is equal to the product of:

- (1) the STEP TWO quotient determined under section 4(a)(3) of this chapter for the taxing district; multiplied by
- (2) the taxpayer's taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(a) Except as provided in IC 6-1.1-7-7, **section 9.5 of this chapter**, and subsection (b), the property taxes assessed for a year under this article are due in two (2) equal installments on May 10 and November 10 of the following year.

(b) A county council may adopt an ordinance to require a person to pay **his the person's** property tax liability in one (1) installment, if the tax liability for a particular year is less than twenty-five dollars (\$25). If the county council has adopted such an ordinance, then whenever a tax statement mailed under section 8 of this chapter shows that the person's property tax liability for a year is less than twenty-five dollars (\$25) for the property covered by that statement, the tax liability for that year is due in one (1) installment on May 10 of that year.

(c) If property taxes are not paid on or before the due date, the penalties prescribed in IC 6-1.1-37-10 shall be added to the delinquent taxes.

(d) Notwithstanding any other law, a property tax liability of less than five dollars (\$5) is increased to five dollars (\$5). The difference between the actual liability and the five dollar (\$5) amount that appears on the statement is a statement processing charge. The statement processing charge is considered a part of the tax liability.

respect to property taxes due in installments under IC 6-1.1-22-9.5, an additional penalty equal to ten percent (10%) of any taxes remaining unpaid shall be added on the day immediately following each date that succeeds the last installment due date by:

- (1) six (6) months; or
- (2) a multiple of six (6) months.

(c) ~~These~~ The penalties under subsection (b) are imposed only on the principal amount of the delinquent taxes. ~~However,~~

(d) If the department of local government finance determines that an emergency has occurred which precludes the mailing of the tax statement in any county at the time set forth in IC 6-1.1-22-8, the department shall establish by order a new date on which the installment of taxes in that county is due and no installment is delinquent if paid by the date so established.

~~(b)~~ (e) If any due date falls on a Saturday, a Sunday, a national legal holiday recognized by the federal government, or a statewide holiday, the act that must be performed by that date is timely if performed by the next succeeding day that is not a Saturday, a Sunday, or one (1) of those holidays.

~~(c)~~ (f) A payment to the county treasurer is considered to have been paid by the due date if the payment is:

  - (B) with sufficient postage; and
  - (C) certified or postmarked by the United States Postal Service as mailed on or before the due date; or
- (3) deposited with a nationally recognized express parcel carrier and is:
  - (A) properly addressed to the principal office of the county treasurer; and
  - (B) verified by the express parcel carrier as:
    - (i) paid in full for final delivery; and
    - (ii) received on or before the due date.

For purposes of this subsection, "postmarked" does not mean the date printed by a postage meter that affixes postage to the envelope or package containing a payment.

only to property taxes first due and payable in 2004 with respect to a homestead (as defined in IC 6-1.1-20.9-1).

(b) A county may petition the department of local government finance to waive all or part of the penalty imposed under section 10(a) of this chapter. The county fiscal body (as defined in IC 36-1-2-6), the county auditor, and the county treasurer must approve a petition under this subsection.

(c) The department of local government finance shall:

- (1) prescribe the form of the petition under subsection (b);
- (2) determine the information required on the form; and
- (3) notify the county fiscal body, the county auditor, and the county treasurer of the department's determination on the petition not later than thirty (30) days after receipt of the petition.

SECTION 48. IC 6-1.1-39-6, AS AMENDED BY P.L.192-2002(ss), SECTION 46, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) An economic development district may be enlarged by the fiscal body by following the same procedure for the creation of an economic development district specified in this chapter. Property taxes that are attributable to the additional area and allocable to the economic development district are not eligible for the property tax replacement credit provided by IC 6-1.1-21-5. However, subject to subsection (c) **and except as provided in subsection (f)**, each taxpayer in an additional area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable in May and November of that year. **Except as provided in subsection (f)**, one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district in a county that contains all or part of the additional area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of the county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; times
- (B) the total amount of the taxpayer's taxes (as defined in

C  
o  
p

IC 6-1.1-21-2) levied in the taxing district that would have been allocated to a special fund under section 5 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the economic development district and paid into a special fund under section 5(a) of this chapter.

(b) If the additional credit under subsection (a) is not reduced under subsection (c) or (d), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (a) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an additional area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (a) shall be combined on the tax statements sent to each taxpayer.

(c) The county fiscal body may, by ordinance, provide that the additional credit described in subsection (a):

- (1) does not apply in a specified additional area; or
- (2) is to be reduced by a uniform percentage for all taxpayers in a specified additional area.

(d) Whenever the county fiscal body determines that granting the full additional credit under subsection (a) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that economic development district in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the county fiscal body must adopt an ordinance under subsection (c) to deny the additional credit or reduce the additional credit to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. An ordinance adopted under subsection (c) denies or reduces the additional credit for taxes (as defined in IC 6-1.1-21-2) first due and payable in any year following the year in which the ordinance is adopted.

(e) An ordinance adopted under subsection (c) remains in effect until the ordinance is rescinded by the body that originally adopted the ordinance. However, an ordinance may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that economic development district in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If an ordinance is rescinded and no other ordinance is adopted, the additional credit described in

**O**  
**P**  
**Y**

subsection (a) applies to taxes (as defined in IC 6-1.1-21-2) first due and payable in each year following the year in which the resolution is rescinded.

**(f) This subsection applies to an additional area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an additional area is entitled to an additional credit under subsection (a) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).**

SECTION 49. IC 6-3-1-3.5, AS AMENDED BY P.L.105-2003, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 3.5. When used in this article, the term "adjusted gross income" shall mean the following:

(7) Add an amount equal to the total capital gain portion of a lump sum distribution (as defined in Section 402(e)(4)(D) of the Internal Revenue Code) if the lump sum distribution is received by the individual during the taxable year and if the capital gain portion of the distribution is taxed in the manner provided in Section 402 of the Internal Revenue Code.

(8) Subtract any amounts included in federal adjusted gross income under Section 111 of the Internal Revenue Code as a recovery of items previously deducted as an itemized deduction from adjusted gross income.

(11) Add an amount equal to the interest excluded from federal gross income by the individual for the taxable year under Section 128 of the Internal Revenue Code if the taxable year began before January 1, 1985.

(12) Subtract an amount equal to the amount of federal Social Security and Railroad Retirement benefits included in a taxpayer's federal gross income by Section 86 of the Internal Revenue Code.

(14) In the case of an individual who is a recipient of assistance under IC 12-10-6-1, ~~IC 12-10-6-2~~, **IC 12-10-6-2.1**, IC 12-15-2-2, or IC 12-15-7, subtract an amount equal to that portion of the individual's adjusted gross income with respect to which the individual is not allowed under federal law to retain an amount to pay state and local income taxes.

(15) In the case of an eligible individual, subtract the amount of a Holocaust victim's settlement payment included in the individual's federal adjusted gross income.

(16) For taxable years beginning after December 31, 1999, subtract an amount equal to the portion of any premiums paid during the taxable year by the taxpayer for a qualified long term care policy (as defined in IC 12-15-39.6-5) for the taxpayer or the taxpayer's spouse, or both.

(17) Subtract an amount equal to the lesser of:

(A) **for a taxable year:**

(i) **including any part of 2004, the amount determined under subsection (f); and**

(ii) **beginning after December 31, 2004, two thousand five hundred dollars (\$2,500); or**

(B) the amount of property taxes that are paid during the taxable year in Indiana by the individual on the individual's principal place of residence.

(18) Subtract an amount equal to the amount of a September 11 terrorist attack settlement payment included in the individual's federal adjusted gross income.

(19) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that owns property for which bonus depreciation was allowed in the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income that would have been computed had an election not been made under Section 168(k)(2)(C)(iii) of the Internal Revenue Code to apply bonus depreciation to the property in the year that it was placed in service.

SECTION 50. IC 8-22-3.5-10, AS AMENDED BY P.L.192-2002(ss), SECTION 147, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) Except in a county described in section 1(5) of this chapter **and except as provided in subsection (d)**, if the commission adopts the provisions of this section by resolution, each taxpayer in the airport development zone is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. **Except as provided in subsection (d)**, one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the airport development zone:

**STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.**

**STEP TWO: Divide:**

- (A) that part of the county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

## STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the special funds under section 9 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the special funds under section 9 of this chapter.

## (b) The additional credit under subsection (a) shall be:

- (1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of an airport development zone; and
- (2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in an airport development zone who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies shall be stated on the notice.

**(d) This subsection applies to an airport development zone only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an airport development zone is entitled to an additional credit under subsection (a) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).**

SECTION 51. IC 12-13-8-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. For taxes first due and payable in each year after ~~1990~~, **2003**, each county shall impose a medical assistance property tax levy equal to the product of:

- (1) the medical assistance property tax levy imposed for taxes first due and payable in the preceding year, **as that levy was determined by the department of local government finance in fixing the civil taxing unit's budget, levy, and rate for that**

preceding calendar year under IC 6-1.1-17 and after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the calendar year; multiplied by

(2) the statewide average assessed value growth quotient, using all the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for the year in which the tax levy under this section will be first due and payable.

**If the amount levied in a particular year exceeds the amount necessary to cover the costs payable from the fund, the levy in the following year shall be reduced by the amount of surplus money.**

SECTION 52. IC 12-19-7-4, AS AMENDED BY P.L.90-2002, SECTION 344, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) For taxes first due and payable in 1995, each county must impose a county family and children property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were paid by the county minus the amounts reimbursed by the state (including reimbursements made with federal money); as determined by the state board of accounts, in 1991, 1992, and 1993 for the following:

(A) Payments for administrative expenses of the county office of family and children in administering the provision of child services:

(B) Payments for the services described in section 1 of this chapter that were made on behalf of the children described in section 1 of this chapter and for which payment was made from the county welfare fund:

(C) Payment for the facilities, supplies, and equipment needed for the provision of child services as operated by the county office of family and children:

(D) Payment of all other expenses incurred in providing child services that were paid by the county office of family and children:

STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to:

(A) the county welfare administration fund and used to pay expenses for administration, facilities, supplies, and equipment for the provision of child services in 1991, 1992, and 1993; and

(B) the county welfare fund, the county general fund, or the

county welfare loan fund (whichever of the funds applies) and used to pay the costs of providing child services in 1991, 1992, and 1993.

STEP THREE: Divide the amount determined in STEP TWO by three (3).

STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 1993 expenses only.

STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the amount determined by the department of local government finance under subsection (c).

STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the greater of:

(A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 1995; or

(B) the statewide average assessed value growth quotient using the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for property taxes first due and payable in 1995.

STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property taxes first due and payable in 1995, as determined under IC 6-1.1-18.5-2.

(b) (a) For taxes first due and payable in each year after 1995, 2003, each county shall impose a county family and children property tax levy equal to the product of:

(1) the county family and children property tax levy imposed for taxes first due and payable in the preceding year, **as that levy was determined by the department of local government finance in fixing the civil taxing unit's budget, levy, and rate for that preceding calendar year under IC 6-1.1-17 and after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the calendar year;** multiplied by

(2) the greater of:

(A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or

(B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount

to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section. **If the amount levied in a particular year exceeds the amount necessary to cover the costs payable from the fund, the levy in the following year shall be reduced by the amount of surplus money.**

(c) For taxes first due and payable in 1995 and in 1996, the department of local government finance shall adjust the levy for each county to reflect the county's actual child services expenses incurred in providing child services in 1991, 1992, and 1993. In making this adjustment, the department of local government finance may consider all relevant information, including the county's use of bond and loan proceeds to pay these expenses.

(d) (b) The department of local government finance shall review each county's property tax levy under this section and shall enforce the requirements of this section with respect to that levy.

SECTION 53. IC 12-19-7.5-6, AS ADDED BY P.L.224-2003, SECTION 92, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) For taxes first due and payable in 2004, each county must impose a county children's psychiatric residential services property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were paid by the county minus the amounts reimbursed by the state (including reimbursements made with federal money), as determined by the state board of accounts in 2000, 2001, and 2002 for payments to facilities licensed under 470 IAC 3-13 for services that were made on behalf of the children and for which payment was made from the county family and children fund, or five percent (5%) of the average family and children budget, as determined by the department of local government finance in 2000, 2001, and 2002, whichever is greater.

STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to the county family and children fund and used to pay the costs for providing services in facilities licensed under 470 IAC 3-13 in 2000, 2001, and 2002.

STEP THREE: Divide the amount determined in STEP TWO by three (3).

STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 2002 expenses only.

STEP FIVE: Adjust the amounts determined in STEP THREE and

STEP FOUR by the amount determined by the department of local government finance under subsection (c).

STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 2003.

STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property taxes first due and payable in 2004, as determined under IC 6-1.1-18.5-2.

(b) For taxes first due and payable in each year after 2004, each county shall impose a county children's psychiatric residential treatment services property tax levy equal to the product of:

(1) the county children's psychiatric residential treatment services property tax levy imposed for taxes first due and payable in the preceding year, **as that levy was determined by the department of local government finance in fixing the civil taxing unit's budget, levy, and rate for that preceding calendar year under IC 6-1.1-17 and after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the calendar year;** multiplied by

(2) the greater of:

(A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or

(B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section. **If the amount levied in a particular year exceeds the amount necessary to cover the costs payable from the fund, the levy in the following year shall be reduced by the amount of surplus money.**

(c) For taxes first due and payable in 2004, the department of local government finance shall adjust the levy for each county to reflect the county's actual expenses incurred in providing services to children in facilities licensed under 470 IAC 3-13 in 2000, 2001, and 2002. In making this adjustment, the department of local government finance may consider all relevant information, including the county's use of bond and loan proceeds to pay these expenses.

(d) The department of local government finance shall review each county's property tax levy under this section and shall enforce the requirements of this section with respect to that levy.

SECTION 54. IC 12-29-2-2, AS AMENDED BY P.L.170-2002, SECTION 84, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) Subject to ~~subsection~~ **subsections (b), (c), and (d)**, a county shall fund the operation of community mental health centers in an amount not less than the amount that would be raised by an annual tax rate of one and thirty-three hundredths cents (\$0.0133) on each one hundred dollars (\$100) of taxable property within the county, unless a lower tax rate will be adequate to fulfill the county's financial obligations under this chapter in any of the following situations:

- (1) If the total population of the county is served by one (1) center.
- (2) If the total population of the county is served by more than one (1) center.
- (3) If the partial population of the county is served by one (1) center.
- (4) If the partial population of the county is served by more than one (1) center.

(b) This subsection applies only to a property tax that is imposed in a county containing a consolidated city. The tax rate permitted under subsection (a) for taxes first due and payable after ~~calendar year~~ 1995 is the tax rate permitted under subsection (a) as adjusted under this subsection. For each year in which **an annual adjustment of the assessed value of real property will take effect under IC 6-1.1-4-4.5 or** a general reassessment of property will take effect, the department of local government finance shall compute the maximum rate permitted under subsection (a) as follows:

STEP ONE: Determine the maximum rate for the year preceding the year in which the **annual adjustment or** general reassessment takes effect.

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent **(0.01%)**) in the assessed value **(before the adjustment, if any, under IC 6-1.1-4-4.5)** of the taxable property from the year preceding the year the **annual adjustment or** general reassessment takes effect to the year that the **annual adjustment or** general reassessment is effective.

STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first

become effective.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (**0.01%**)) in the assessed value (**before the adjustment, if any, under IC 6-1.1-4-4.5**) of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

STEP SEVEN: Determine the quotient of:

(A) the STEP ONE tax rate; divided by

(B) one (1) plus the STEP SIX percentage increase.

This maximum rate is the maximum rate under this section until a new maximum rate is computed under this subsection for the next year in which **an annual adjustment under IC 6-1.1-4-4.5** or a general reassessment of property will take effect.

(c) **With respect to a county to which subsection (b) does not apply, the maximum tax rate permitted under subsection (a) for taxes first due and payable in calendar year 2004 and calendar year 2005 is the maximum tax rate that would have been determined under subsection (d) for taxes first due and payable in 2003 if subsection (d) had applied to the county for taxes first due and payable in 2003.**

(d) **This subsection applies only to a county to which subsection (b) does not apply. The tax rate permitted under subsection (a) for taxes first due and payable after calendar year 2005 is the tax rate permitted under subsection (c) as adjusted under this subsection. For each year in which an annual adjustment of the assessed value of real property will take effect under IC 6-1.1-4-4.5 or a general reassessment of property will take effect, the department of local government finance shall compute the maximum rate permitted under subsection (a) as follows:**

**STEP ONE: Determine the maximum rate for the year preceding the year in which the annual adjustment or general reassessment takes effect.**

**STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (**0.01%**)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the year**

**C

preceding the year the annual adjustment or general reassessment takes effect to the year that the annual adjustment or general reassessment is effective.

**STEP THREE:** Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

**STEP FOUR:** Compute separately, for each of the calendar years determined under STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

**STEP FIVE:** Divide the sum of the three (3) quotients computed under STEP FOUR by three (3).

**STEP SIX:** Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

**STEP SEVEN:** Determine the quotient of:

(A) the STEP ONE tax rate; divided by

(B) one (1) plus the STEP SIX percentage increase.

This maximum rate is the maximum rate under this section until a new maximum rate is computed under this subsection for the next year in which an annual adjustment under IC 6-1.1-4-4.5 or a general reassessment of property will take effect.

SECTION 55. IC 12-29-2-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) The maximum appropriation determined under section 3 or 4 of this chapter represents the county's absolute proportional share of each center's total operating budget.

(b) If the proportional share is less than the ~~four cent (\$0.04)~~ requirement in amount of property taxes raised under the tax rate required under section 2 of this chapter, the county shall appropriate only the maximum appropriation amount.

(c) If the proportional share is more than the ~~four cent (\$0.04)~~ requirement in amount of property taxes raised under the tax rate required under section 2 of this chapter, the county:

(1) shall satisfy the ~~four cent (\$0.04)~~ equivalent appropriation appropriate that amount; and

(2) may appropriate an additional amount in excess of the four cent (\$0.04) equivalent appropriation up to an amount added to

the four cent (\$0.04) equivalent appropriation that would equal a ten cent (\$0.10) equivalent appropriation: the amount of property taxes raised by a tax rate of three and one-third cents (\$0.03 1/3).

SECTION 56. IC 16-35-3-3, AS AMENDED BY P.L.90-2002, SECTION 401, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) For taxes first due and payable in 1992, each county must impose a children with special health care needs property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were paid by the county minus the amounts reimbursed by the state (including reimbursements made with federal money), as determined by the state board of accounts, in 1988, 1989, and 1990 for the following:

(A) Payments for administrative expenses of the county office of family and children in the administration of the children with special health care needs program.

(B) Payment for the facilities, supplies, and equipment needed for the children with special health care needs program as operated by the county office of family and children.

(C) Payment of all other expenses under the children with special health care needs program that were paid by the county office of family and children.

STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to:

(A) the county welfare administration fund and used to pay expenses for administration, facilities, supplies, and equipment for the children with special health care needs program in 1988, 1989, and 1990; and

(B) the county welfare fund and used to pay all other costs of the children with special health care needs program in 1988, 1989, and 1990.

STEP THREE: Divide the amount determined in STEP TWO by three (3).

STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 1990 expenses only.

STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the amount determined by the state board of tax commissioners under subsection (c).

STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in

C  
o

STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the greater of:

- (A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 1992; or
- (B) the statewide average assessed value growth quotient using the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for property taxes first due and payable in 1992.

STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property taxes first due and payable in 1992, as determined under IC 6-1.1-18.5-2.

(b) (a) For taxes first due and payable in each year after 1992; **2003**, each county shall impose a children with special health care needs property tax levy equal to the product of:

- (1) the children with special health care needs property tax levy imposed for taxes first due and payable in the preceding year, **as that levy was determined by the department of local government finance in fixing the civil taxing unit's budget, levy, and rate for that preceding calendar year under IC 6-1.1-17 and after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the calendar year;** multiplied by
- (2) the greater of:
  - (A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or
  - (B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section. **If the amount levied in a particular year exceeds the amount necessary to cover the costs payable from the fund, the levy in the following year shall be reduced by the amount of surplus money.**

(c) For taxes first due and payable in 1992 and in 1993, the state board of tax commissioners shall adjust the levy for each county to reflect the county's actual welfare expenses for administration; facilities; supplies; equipment; and all other costs for the children with special health care needs program in 1988, 1989, and 1990. In making this adjustment, the state board of tax commissioners may consider all

(d) (b) The department of local government finance shall review each county's property tax levy under this section and shall enforce the requirements of this section with respect to that levy.

(E) Divide the clause (D) result by the clause (C) result.

(F) Divide the clause (E) result by one hundred (100).

STEP TWO: This STEP applies only if the amount determined in STEP FIVE of the formula in section 6.7(d) of this chapter is equal to STEP ONE of the formula in section 6.7(d) of this chapter and the result of clause (A) is greater than zero (0). Determine the result under clause (G) of the following formula:

(A) Add the following:

(i) An amount equal to the annual decrease in federal aid to

impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

(ii) The portion of the maximum general fund levy for the year that equals the original amount of the levy imposed by the school corporation to cover the costs of opening a new school facility during the preceding year.

(B) Divide the clause (A) result by the school corporation's current ADM.

(C) Divide the school corporation's 2002 assessed valuation by the school corporation's current ADM.

(D) Divide the clause (C) result by ten thousand (10,000).

(E) Determine the greater of the following:

(i) The clause (D) result.

(ii) Thirty-nine dollars (\$39) in 2002 and thirty-nine dollars and seventy-five cents (\$39.75) in 2003.

(F) Divide the clause (B) result by the clause (E) amount.

(G) Divide the clause (F) result by one hundred (100).

STEP THREE: Determine the sum of:

(A) ninety-one and eight-tenths cents (\$0.918) in 2002; and

(B) ninety-five and eight-tenths cents (\$0.958) in 2003; and if applicable, the STEP ONE or STEP TWO result.

(c) This subsection applies to calendar years beginning after December 31, 2004. A school corporation's target general fund property tax rate for purposes of IC 6-1.1-19-1.5 is the result determined under STEP FOUR of the following formula:

STEP ONE: Determine the amount determined for the school corporation in STEP ONE of the formula in section 6.7(e) of this chapter.

STEP TWO: This STEP applies only if the amount determined in STEP EIGHT of the formula in section 6.7(e) of this chapter minus the STEP ONE result is greater than zero (0). Determine the result under clause (E) of the following formula:

(A) Divide the school corporation's assessed valuation by the school corporation's current ADM.

(B) Divide the clause (A) result by ten thousand (10,000).

(C) Determine the greater of the following:

(i) The clause (B) result.

(ii) Forty-three dollars and sixty-five cents (\$43.65).

(D) Determine the result determined under item (ii) of the following formula:

(i) Subtract the STEP ONE result from the amount

determined in STEP EIGHT of the formula in section 6.7(e) of this chapter.

(ii) Divide the item (i) result by the school corporation's current ADM.

(E) Divide the clause (D) result by the clause (C) result.

(F) Divide the clause (E) result by one hundred (100).

STEP THREE: This STEP applies only if the amount determined in STEP EIGHT of the formula in section 6.7(e) of this chapter is equal to the STEP ONE result and the result of clause (A) is greater than zero (0). Determine the result under clause (G) of the following formula:

(A) Add the following:

(i) An amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

(ii) The part of the maximum general fund levy for the year that equals the original amount of the levy imposed by the school corporation to cover the costs of opening a new school facility during the preceding year.

(B) Divide the clause (A) result by the school corporation's current ADM.

(C) Divide the school corporation's assessed valuation by the school corporation's current ADM.

(D) Divide the clause (C) result by ten thousand (10,000).

(E) Determine the greater of the following:

(i) The clause (D) result.

(ii) Forty-three dollars and sixty-five cents (\$43.65).

(F) Divide the clause (B) result by the clause (E) amount.

(G) Divide the clause (F) result by one hundred (100).

STEP FOUR: Determine the sum of sixty-three and seven-tenths cents (\$0.637) and, if applicable, the STEP TWO or STEP THREE result.

~~(c)~~ (d) For the calendar year beginning January 1, 2004, and ending December 31, 2004, a school corporation's general fund ad valorem property tax levy is determined under ~~IC 6-1.1-19-1.5(g)~~. **IC 6-1.1-19-1.5(f).**

- (2) **serves as township assessor under IC 36-6-5-2 and fails to comply with IC 6-1.1-35-1.1.**

(c) The term of office of a township trustee is four (4) years, beginning January 1 after election and continuing until a successor is elected and qualified.

SECTION 63. IC 36-6-5-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 1. (a) A township assessor shall be elected under IC 3-10-2-13 by the voters of each township having:

However, the term of office of a township assessor elected at a general election in which no other township officer is elected ends on December 31 after the next election in which any other township officer is elected.

SECTION 64. IC 36-7-14-39.5, AS AMENDED BY P.L.192-2002(ss), SECTION 178, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39.5. (a) As used in this section, "allocation area" has the meaning set forth in section 39 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e) **and except as provided in subsection (h)**, each taxpayer in an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable in May and November of that year. **Except as provided in subsection (h)**, one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to an allocation fund under section 39 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the redevelopment district and paid into an allocation fund under section 39(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under

C  
o  
p  
y

subsection (e) or (f), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be combined on the tax statements sent to each taxpayer.

(e) Upon the recommendation of the redevelopment commission, the municipal legislative body (in the case of a redevelopment commission established by a municipality) or the county executive (in the case of a redevelopment commission established by a county) may, by resolution, provide that the additional credit described in subsection (c):

- (1) does not apply in a specified allocation area; or
- (2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.

(f) Whenever the municipal legislative body or county executive determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the municipal legislative body or county executive must adopt a resolution under subsection (e) to deny the additional credit or reduce it to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

**(h) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as**

C  
o

residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (c) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).

SECTION 65. IC 36-7-15.1-26.5, AS AMENDED BY P.L.192-2002(ss), SECTION 181, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26.5. (a) As used in this section, "adverse determination" means a determination by the fiscal officer of the consolidated city that the granting of credits described in subsection (g) or (h) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund.

(b) As used in this section, "allocation area" has the meaning set forth in section 26 of this chapter.

(c) As used in this section, "special fund" refers to the special fund into which property taxes are paid under section 26 of this chapter.

(d) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(e) Except as provided in subsections (g), (h), ~~and (i), and (j)~~, each taxpayer in an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. **Except as provided in subsection (j)**, one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of each county's † eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

C  
o  
p  
y

**STEP THREE: Multiply:**

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to an allocation fund under section 26 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the redevelopment district and paid into the special fund.

(f) The credit for property tax replacement under IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h), and (i), unless the credits under subsections (g) and (h) are partial credits, shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. Except as provided in subsections (h) and (i), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h), and (i) shall be combined on the tax statements sent to each taxpayer.

(g) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method provided in subsection (e) may be granted under this subsection. The credit provided under this subsection is first applicable for the allocation area for property taxes first due and payable in 1992. The following apply to the determination of the credit provided under this subsection:

- (1) Before June 15 of each year, the fiscal officer of the consolidated city shall determine and certify the following:
  - (A) All amounts due in the following year to the owners of outstanding bonds payable from the allocation area special fund.
  - (B) All amounts that are:
    - (i) required under contracts with bond holders; and
    - (ii) payable from the allocation area special fund to fund accounts and reserves.
  - (C) An estimate of the amount of personal property taxes available to be paid into the allocation area special fund under section 26.9(c) of this chapter.
  - (D) An estimate of the aggregate amount of credits to be granted if full credits are granted.
- (2) Before June 15 of each year, the fiscal officer of the consolidated city shall determine if the granting of the full amount of credits in the following year would impair any contract with or

**C**  
**O**  
**P**

otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund.

(3) If the fiscal officer of the consolidated city determines under subdivision (2) that there would not be an impairment or adverse effect:

(A) the fiscal officer of the consolidated city shall certify the determination; and

(B) the full credits shall be applied in the following year, subject to the determinations and certifications made under section 26.7(b) of this chapter.

(4) If the fiscal officer of the consolidated city makes an adverse determination under subdivision (2), the fiscal officer of the consolidated city shall determine whether there is an amount of partial credits that, if granted in the following year, would not result in the impairment or adverse effect. If the fiscal officer determines that there is an amount of partial credits that would not result in the impairment or adverse effect, the fiscal officer shall do the following:

(A) Determine the amount of the partial credits.

(B) Certify that determination.

(5) If the fiscal officer of the consolidated city certifies under subdivision (4) that partial credits may be paid, the partial credits shall be applied pro rata among all affected taxpayers in the following year.

(6) An affected taxpayer may appeal any of the following to the circuit or superior court of the county in which the allocation area is located:

(A) A determination by the fiscal officer of the consolidated city that:

(i) credits may not be paid in the following year; or

(ii) only partial credits may be paid in the following year.

(B) A failure by the fiscal officer of the consolidated city to make a determination by June 15 of whether full or partial credits are payable under this subsection.

(7) An appeal of a determination must be filed not later than thirty (30) days after the publication of the determination.

(8) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether the credits are payable under this subsection must be filed by July 15 of the year in which the determination should have been made.

(9) All appeals under subdivision (6) shall be decided by the court within sixty (60) days.

(h) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method in subsection (e) and in subdivision (2) may be granted under this subsection. The following apply to the credit granted under this subsection:

(1) The credit is applicable to property taxes first due and payable in 1991.

(2) For purposes of this subsection, the amount of a credit for 1990 taxes payable in 1991 with respect to an affected taxpayer is equal to:

(A) the amount of the quotient determined under STEP TWO of subsection (e); multiplied by

(B) the total amount of the property taxes payable by the taxpayer that were allocated in 1991 to the allocation area special fund under section 26 of this chapter.

(3) Before June 15, 1991, the fiscal officer of the consolidated city shall determine and certify an estimate of the aggregate amount of credits for 1990 taxes payable in 1991 if the full credits are granted.

(4) The fiscal officer of the consolidated city shall determine whether the granting of the full amounts of the credits for 1990 taxes payable in 1991 against 1991 taxes payable in 1992 and the granting of credits under subsection (g) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund for an allocation area described in subsection (g).

(5) If the fiscal officer of the consolidated city determines that there would not be an impairment or adverse effect under subdivision (4):

(A) the fiscal officer shall certify that determination; and

(B) the full credits shall be applied against 1991 taxes payable in 1992 or the amount of the credits shall be paid to the taxpayers as provided in subdivision (12), subject to the determinations and certifications made under section 26.7(b) of this chapter.

(6) If the fiscal officer of the consolidated city makes an adverse determination under subdivision (4), the fiscal officer shall determine whether there is an amount of partial credits for 1990 taxes payable in 1991 that, if granted against 1991 taxes payable in 1992 in addition to granting of the credits under subsection (g), would not result in the impairment or adverse effect.

**C  
o  
p  
y**

(7) If the fiscal officer of the consolidated city determines under subdivision (6) that there is an amount of partial credits that would not result in the impairment or adverse effect, the fiscal officer shall determine the amount of partial credits and certify that determination.

(8) If the fiscal officer of the consolidated city certifies under subdivision (7) that partial credits may be paid, the partial credits shall be applied pro rata among all affected taxpayers against 1991 taxes payable in 1992.

(9) An affected taxpayer may appeal any of the following to the circuit or superior court of the county in which the allocation area is located:

(A) A determination by the fiscal officer of the consolidated city that:

- (i) credits may not be paid for 1990 taxes payable in 1991; or
- (ii) only partial credits may be paid for 1990 taxes payable in 1991.

(B) A failure by the fiscal officer of the consolidated city to make a determination by June 15, 1991, of whether credits are payable under this subsection.

(10) An appeal of a determination must be filed not later than thirty (30) days after the publication of the determination. Any such appeal shall be decided by the court within sixty (60) days.

(11) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether credits are payable under this subsection must be filed by July 15, 1991. Any such appeal shall be decided by the court within sixty (60) days.

(12) If 1991 taxes payable in 1992 with respect to a parcel are billed to the same taxpayer to which 1990 taxes payable in 1991 were billed, the county treasurer shall apply to the tax bill for 1991 taxes payable in 1992 both the credit provided under subsection (g) and the credit provided under this subsection, along with any credit determined to be applicable to the tax bill under subsection (i). In the alternative, at the election of the county auditor, the county may pay to the taxpayer the amount of the credit by May 10, 1992, and the amount shall be charged to the taxing units in which the allocation area is located in the proportion of the taxing units' respective tax rates for 1990 taxes payable in 1991.

(13) If 1991 taxes payable in 1992 with respect to a parcel are billed to a taxpayer other than the taxpayer to which 1990 taxes

**C  
o  
p

payable in 1991 were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (i) to the tax bill for 1991 taxes payable in 1992.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit under this subsection.

A taxpayer entitled to a credit must file an application for refund of the credit with the county auditor not later than November 30, 1991.

(14) A taxpayer who files an application by November 30, 1991, is entitled to payment from the county treasurer in an amount that is in the same proportion to the credit provided under this subsection with respect to a parcel as the amount of 1990 taxes payable in 1991 paid by the taxpayer with respect to the parcel bears to the 1990 taxes payable in 1991 with respect to the parcel. This amount shall be paid to the taxpayer by May 10, 1992, and shall be charged to the taxing units in which the allocation area is located in the proportion of the taxing units' respective tax rates for 1990 taxes payable in 1991.

(i) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. The following apply to the credit granted under this subsection:

(1) A prior year credit is applicable to property taxes first due and payable in each year from 1987 through 1990 (the "prior years").

(2) The credit for each prior year is equal to:

(A) the amount of the quotient determined under STEP TWO of subsection (e) for the prior year; multiplied by

(B) the total amount of the property taxes paid by the taxpayer that were allocated in the prior year to the allocation area special fund under section 26 of this chapter.

(3) Before January 31, 1992, the county auditor shall determine the amount of credits under subdivision (2) with respect to each parcel in the allocation area for all prior years with respect to which:

(A) taxes were billed to the same taxpayer for taxes payable in each year from 1987 through 1991; or

(B) an application was filed by November 30, 1991, under subdivision (8) for refund of the credits for prior years.

A report of the determination by parcel shall be sent by the county

**P**

auditor to the department of local government finance and the budget agency within five (5) days of such determination.

(4) Before January 31, 1992, the county auditor shall determine the quotient of the amounts determined under subdivision (3) with respect to each parcel divided by six (6).

(5) Before January 31, 1992, the county auditor shall determine the quotient of the aggregate amounts determined under subdivision (3) with respect to all parcels divided by twelve (12).

(6) Except as provided in subdivisions (7) and (9), in each year in which credits from prior years remain unpaid, credits for the prior years in the amounts determined under subdivision (4) shall be applied as provided in this subsection.

(7) If taxes payable in the current year with respect to a parcel are billed to the same taxpayer to which taxes payable in all of the prior years were billed and if the amount determined under subdivision (3) with respect to the parcel is at least five hundred dollars (\$500), the county treasurer shall apply the credits provided for the current year under subsections (g) and (h) and the credit in the amount determined under subdivision (4) to the tax bill for taxes payable in the current year. However, if the amount determined under subdivision (3) with respect to the parcel is less than five hundred dollars (\$500) (referred to in this subdivision as "small claims"), the county may, at the election of the county auditor, either apply a credit in the amount determined under subdivision (3) or (4) to the tax bill for taxes payable in the current year or pay either amount to the taxpayer. If title to a parcel transfers in a year in which a credit under this subsection is applied to the tax bill, the transferor may file an application with the county auditor within thirty (30) days of the date of the transfer of title to the parcel for payments to the transferor at the same times and in the same amounts that would have been allowed as credits to the transferor under this subsection if there had not been a transfer. If a determination is made by the county auditor to refund or credit small claims in the amounts determined under subdivision (3) in 1992, the county auditor may make appropriate adjustments to the credits applied with respect to other parcels so that the total refunds and credits in any year will not exceed the payments made from the state property tax replacement fund to the prior year credit fund referred to in subdivision (11) in that year.

(8) If taxes payable in the current year with respect to a parcel are billed to a taxpayer that is not a taxpayer to which taxes payable

**C  
o

in all of the prior years were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (h) to the tax bill for taxes payable in the current year.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit.

A taxpayer entitled to the credit must file an application for refund of the credit with the county auditor not later than November 30, 1991. A refund shall be paid to an eligible applicant by May 10, 1992.

(9) A taxpayer who filed an application by November 30, 1991, is entitled to payment from the county treasurer under subdivision (8) in an amount that is in the same proportion to the credit determined under subdivision (3) with respect to a parcel as the amount of taxes payable in the prior years paid by the taxpayer with respect to the parcel bears to the taxes payable in the prior years with respect to the parcel.

(10) In each year on May 1 and November 1, the state shall pay to the county treasurer from the state property tax replacement fund the amount determined under subdivision (5).

(11) All payments received from the state under subdivision (10) shall be deposited into a special fund to be known as the prior year credit fund. The prior year credit fund shall be used to make:

(A) payments under subdivisions (7) and (9); and

(B) deposits into the special fund for the application of prior year credits.

(12) All amounts paid into the special fund for the allocation area under subdivision (11) are subject to any pledge of allocated property tax proceeds made by the redevelopment district under section 26(d) of this chapter, including but not limited to any pledge made to owners of outstanding bonds of the redevelopment district of allocated taxes from that area.

(13) By January 15, 1993, and by January 15 of each year thereafter, the county auditor shall send to the department of local government finance and the budget agency a report of the receipts, earnings, and disbursements of the prior year credit fund for the prior calendar year. If in the final year that credits under subsection (i) are allowed any balance remains in the prior year credit fund after the payment of all credits payable under this subsection, such balance shall be repaid to the treasurer of state for deposit in the property tax replacement fund.

(14) In each year, the county shall limit the total of all refunds and credits provided for in this subsection to the total amount paid in that year from the property tax replacement fund into the prior year credit fund and any balance remaining from the preceding year in the prior year credit fund.

**(j) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (e) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).**

SECTION 66. IC 36-7-15.1-35, AS AMENDED BY P.L.192-2002(ss), SECTION 182, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 35. (a) Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 32 of this chapter, "base assessed value" means the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(g) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.

(b) The special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

- (1) The construction, rehabilitation, or repair of residential units within the allocation area.
- (2) The construction, reconstruction, or repair of infrastructure (such as streets, sidewalks, and sewers) within or serving the allocation area.
- (3) The acquisition of real property and interests in real property within the allocation area.
- (4) The demolition of real property within the allocation area.
- (5) To provide financial assistance to enable individuals and families to purchase or lease residential units within the allocation

area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.

(6) To provide financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) To provide each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, this credit may be provided by the commission only if the city-county legislative body establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 32 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4(a)(1) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) **Except as provided in subsection (g),** the commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c), by applying one-half (1/2) of the credit to each installment of taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable ~~on~~ in May ~~±~~ and November ~~±~~ of a year. **Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2).** The commission must provide for the credit annually by a resolution and must find in the resolution the following:

(1) That the money to be collected and deposited in the allocation

fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.

(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.

(3) If bonds of a lessor under section 17.1 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 26(b) of this chapter, the special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may only be used to do one (1) or more of the following:

(1) Accomplish one (1) or more of the actions set forth in section 26(b)(2)(A) through 26(b)(2)(H) of this chapter.

(2) Reimburse the consolidated city for expenditures made by the city in order to accomplish the housing program in that allocation area.

The special fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 26(b) of this chapter, the commission shall, relative to the special fund established under section 26(b) of this chapter for an allocation area for a program adopted under section 32 of this chapter, do the following before July 15 of each year:

(1) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary:

(A) to make, when due, principal and interest payments on bonds described in section 26(b)(2) of this chapter;

(B) to pay the amount necessary for other purposes described in section 26(b)(2) of this chapter; and

(C) to reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

(2) Notify the county auditor of the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

**(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as**

residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).

SECTION 67. IC 36-7-15.1-56, AS AMENDED BY P.L.192-2002(ss), SECTION 184, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 56. (a) As used in this section, "allocation area" has the meaning set forth in section 53 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e) **and except as provided in subsection (h)**, each taxpayer in an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable in May and November of that year. **Except as provided in subsection (h)**, one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to an allocation fund under section 53 of this chapter had the additional credit described in this section not

C  
o  
p

been given.

The additional credit reduces the amount of proceeds allocated to the development district and paid into an allocation fund under section 53(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under subsection (e) or (f), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be combined on the tax statements sent to each taxpayer.

(e) Upon the recommendation of the commission, the excluded city legislative body may, by resolution, provide that the additional credit described in subsection (c):

- (1) does not apply in a specified allocation area; or
- (2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.

(f) Whenever the excluded city legislative body determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the excluded city legislative body must adopt a resolution under subsection (e) to deny the additional credit or reduce it to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

**C  
o  
p  
y**

(h) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (c) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).

SECTION 68. [EFFECTIVE UPON PASSAGE] (a) For purposes of this SECTION, "benefit" means:

- (1) a credit under IC 6-1.1-20.9; or
- (2) a deduction under any of the following:

IC 6-1.1-12-1

IC 6-1.1-12-9, as amended by this act

IC 6-1.1-12-11

IC 6-1.1-12-13

IC 6-1.1-12-14

IC 6-1.1-12-16

IC 6-1.1-12-17.4.

(b) This SECTION applies to an individual who, with respect to a real property parcel:

- (2) met the eligibility criteria for the benefit under a section referred to in subsection (a) for property taxes first due and payable in 2004; and
- (3) did not file a timely application as required by law for the benefit for property taxes first due and payable in 2004.

(c) Except as provided in subsection (d), an individual may:

- (1) claim a benefit referred to in subsection (a)(1) by meeting the filing requirements of IC 6-1.1-20.9; and
- (2) claim a benefit referred to in subsection (a)(2) by meeting the filing requirements of IC 6-1.1-12.

(d) The filing requirements for a benefit under this SECTION must be met before December 15, 2003.

(f) The county auditor shall determine the individual's eligibility for a benefit under this SECTION. If the county auditor determines that an individual is eligible for a benefit under this SECTION for a parcel, the county auditor shall:

(1) apply the benefit with respect to taxes first due and payable in 2004 for the parcel; and

(2) before January 1, 2004:

(g) The department of local government finance shall use the revised certifications received under subsection (f)(2)(A) in the department's determination of tax rates under IC 6-1.1-17-16 for taxes first due and payable in 2004. Notwithstanding IC 6-1.1-17-16(d), the department of local government finance may increase a political subdivision's tax rate to an amount that exceeds the amount originally fixed by the political subdivision based on the revised certification received under subsection (f)(2)(A).

(h) Before March 15, 2004, the auditor of state shall certify the amount of homestead credits referred to in subsection (f)(2)(B) to the department of state revenue. For property taxes first due and payable in 2004, the department of state revenue shall allocate under IC 6-1.1-21-4 from the property tax replacement fund an additional amount equal to the total amount of homestead credits allowed under this SECTION for property taxes first due and payable in 2004. The department of state revenue shall distribute the amount allocated under this subsection in the same manner that other property tax replacement fund distributions are made in 2004.

(i) A statement filed under this SECTION to obtain a benefit for property taxes first due and payable in 2004 applies for that year and any succeeding year for which the benefit is allowed.

(j) Each year a person who is entitled under this SECTION to receive the homestead credit under IC 6-1.1-20.9 for property taxes

- (1) allow a taxpayer to file a petition under IC 6-1.1-15-1(b)(1) more than forty-five (45) days after notice of a change in the assessment is given to the taxpayer;
- (2) allow the payment of property taxes in installments other than the installments prescribed in IC 6-1.1-22-9(a); or
- (3) waive all or part of a penalty under IC 6-1.1-37-10 of this chapter;

is legalized and validated.

SECTION 70. [EFFECTIVE UPON PASSAGE] (a) As used in this SECTION, "department" refers to the department of local government finance.

(b) The department shall study the feasibility of creating uniform and common computer software programs for property tax assessment purposes, including computer software programs that allow the sharing and transfer of assessment data in a uniform format by the state and all counties.

(c) The department shall report the results of the study required by subsection (b) to the commission on state tax and financing policy before September 1, 2004.

(d) Upon approval of the governor, the budget agency may authorize the payment of expenses incurred by the department in conducting the study required by subsection (b) from amounts allotted from the departmental and institutional emergency contingency fund.

"Your assessing officials completed a general reassessment of all real property in the county first effective for property taxes payable in 2003. The reassessment was necessary to comply with Indiana law. The Indiana General Assembly has increased the property tax replacement credit and made other changes to the property tax system to substantially reduce the effects that this reassessment may have on your property tax liability. If the Indiana General Assembly had not taken these actions, the average 2004 property tax bill for homeowners in \_\_\_\_\_ County would be approximately \_\_\_\_\_ percent (\_\_\_%) greater."
